EXPERIENCE

**Producer Assistant
Eleven Bravo Films**

March 2020 - Present
Los Angeles, CA

Assisted film production company focused on war/military-themed movies:

- Successfully marketed live-action film projects to Hollywood producer.
- Produced a film teaser, PowerPoint presentations and assisted in script development.

Marketing Director Assistant (Intern)

April - August 2020

Messe Frankfurt France

Paris, France

Assisted marketing department in organizing the textile sourcing fairs of TEXWORLD Paris and Jet Expo:

- Known for always meeting tight deadlines.
- Trusted to fully train new interns to the different marketing departments.
- Developed marketing tools (visitors guide, marketing campaign, airport billboards).
- Managed and enriched the company database (SalesLogix).
- Wrote content for social media, admin to customers chat forums, wrote newsletter emails, and updated the official website (Sarbacane).
- Handled pre-during-post events' visitors and partners management.
- Conducted visitor satisfaction surveys on-site and analyzed resulting data.

Fashion Model

Childhood - 2019

Freelance / Enjoy Models Agency / Frimousse Agency

Paris, France / Tokyo, Japan

Worked as a fashion model with modeling agencies and freelance since childhood:

- Catwalks and photoshoots for Asian & European clothing and consumer brands, retailers, fashion schools and Paris Fashion Week.
- Appeared on *Vogue Russia* and *British Vogue*.

Sales Assistant

2016 - 2018

Brandy Melville

Paris, France / London, UK

NikeTown

Champs Elysées, France / London, UK

Performed daily sales tasks in fast-paced, high-volume flagship stores:

- Satisfied thousands of customers per day in 4 different languages.
- Recognized by management for always meeting sales goals.
- Known for my efficiency and rigor, I was specially assigned to tabulate sales and pack cash for the Brinks pick up, saving time for the team.

E-Commerce Project Manager (Intern)

June - September 2016

Enter Digital China Ltd mandated by Alibaba Group

Beijing, China

Prepared the launch of a luxury e-commerce website directed to the Chinese market:

- Built database from scratch with contacts of hundreds of French luxury brands.
- Successfully recruited sales managers and negotiated partnership contract with luxury brands which exceeded manager's expectations for a first internship.
